Lesson 4 – *Called to Be A Disciple*

When are we disciples? The word “disciple” comes from the same root as the word “discipline,” which has as one of its meanings “training that develops self-control and character.” What, then, is Christian discipleship? Perhaps the best definition is this: Self training on the part of a believer in the Lord Jesus; a training that develops self-control, love and Christian character.

Every believer – every Christian – has the obligation to become a disciple, constantly learning about the ways of the Lord and continually putting into practice those things which he has learned.
